

LEAVE NOTHING BUT FOOTPRINTS

Duxbury Beach Preservation Society is launching an anti-trash initiative
All beach goers are asked to Leave Nothing but Footprints on Duxbury Beach

Juice boxes, beer cans, sandwich wrappers, cigarette butts, napkins, diapers and construction debris.... Where do these items belong? Certainly not on our beach. One year ago trashcans were removed from Duxbury beach because of excessive and inappropriate dumping. Looking at garbage cans filled to the brim with pizza boxes and chip bags was not only an eyesore to our beautiful coastline but attracted many wild animals beyond their proper habitat.

DBPS is kicking off "Leave Nothing but Footprints" Campaign. Starting this weekend, small size trash bags will be handed out to beach goers as they drive onto the beach. These bags are designed to "remind" beach goers that their trash needs to leave, when they leave. A large dumpster will be located next to the Harbormaster's Shack and all trash generate from your sun filled day should be put in this dumpster on your way out.

Many of you will find that your beach outings generate more trash than our "token" trash bags can handle so please remember that it is your job and responsibility to bring larger size bags to collect your days worth of beach garbage.

The Duxbury Beach Preservation Society is asking you for you help in keeping our most precious local natural resource beautiful! With a little effort, we can eliminate the trash left behind on the beach. And remember let's try to Leave Nothing But Footprints!

Sincerely,

Trustees of Duxbury Beach Preservation Society

If you believe, like we do, that Duxbury Beach is a unique and treasured natural resource--one that must be preserved for the benefit of todays and future generations, please contribute to the Duxbury Beach Preservation Society.

All tax-deductible donations can be mailed to Duxbury Beach Preservation Society PO Box 1364 Duxbury MA 02332
